

### **Tribulation Timeline Tied to Psalms and Sacred Astronomy**

1. Years 2007 to 2009 - As indicated by the comets of the Perseus Prophecy, which culminated in 2008, Satan is currently working overtime to deceive the world and persecute Christians and Jews. In addition, God is displeased over the dividing of Israel and the nations involved in the Middle East conflict are being judged, as revealed in Psalm 108 that is tied to the year 2008. Psalm 108 suggests that a major war may soon occur in the Middle East between Muslims and the West. The result of this war may be a worldwide Christian revival just before the Rapture and the ratification of the Antichrist's peace treaty with Israel.
2. Years 2010 to end of 2018: Hallel Psalms 110 through 118 are tied to the years 2010 through 2018 and may mark the Tribulation period; The Great Pyramid targets the year 2010 at end of Grand Gallery just before the Antechamber to the King's Chamber. This Antechamber signifies the Tribulation.
3. Years 2009 and 2010 - The Solar Eclipses on July 22, 2009 and July 11, 2010 are both on the 1st of Av and may mark a terrible war or time of strife for Israel and the coming of the Rapture on or before Rosh Hashanah on September 9th and 10th, 2010 (though it could occur as late as 12-21-2012). In Psalm 110, Yahshua sits at His Father's right hand to watch events on Earth, and extends His scepter from Zion, which is tied to Orion, the Great Pyramid, and the Lunar Eclipse over Orion's raised sword on December 21, 2010.
4. Late 2010 to early 2011: The false peace treaty between Israel and the Antichrist may be signed and the false peace on Earth will begin. The 144,000 Witnesses of the Tribes of Israel are sealed at this time, and the Two Witnesses will make their appearance and begin to preach in Israel.
5. The year 2011, which officially begins on Rosh Hashanah or September 9th and 10th, 2010, may mark the first of seven years in the Tribulation. Though the Antichrist may be visible and identifiable to the Tribulation Saints, he will not declare himself to be god within the new Temple in Jerusalem until late 2013 or 2014. This is when the Antichrist

will be revealed as Satan, and taking the Mark of the Beast may begin to be enforced, though this mark may be forced on humanity sooner.

6. December 21, 2012: The Anti-Peace Sign or Upside down Chanukiah in Heaven marks the opening of the first four Seal judgments unleashing the Four Horsemen of the Apocalypse. This is also the last possible Rapture day.
7. Years 2013 thru 2014: The first five Seal judgments intensify - especially the fifth seal indicating Jewish and Christian persecution and martyrdom. The four Lunar Eclipses or Blood Moons on Passover and Tabernacles in 2014 and 2015 suggest the intensifying of Jewish and Christian persecution by the Antichrist. Throughout 2103 and 2104 - aided by the 144,000 Witnesses - the Tribulation Saints will try to reach a lost and dying world with the Gospel message of God's love and mercy through Christ and the coming pouring out of God's wrath on the world.
8. In mid-2014, the Antichrist's peace treaty with Israel may be broken, the Two Witnesses may be murdered and resurrected, and the Battle of Armageddon a.k.a. War of Gog and Magog may begin and last 3-1/2 years. Israel and the USA may also be invaded by UN armies at this time and threatened by atomic bombs.
9. March-April 2015: Solar Eclipse on March 20, 2015 - 14 days before Passover, and one day before Jewish First of the Year; Lunar Eclipse on Passover and Easter, April 4, 2015 - Seven Trumpets and Bowls of God's Wrath delivered in successive waves ending with Christ's arrival with His saints in late 2016 or sometime in 2017.
10. September 20, 2017: Day before Rosh Hashanah, two days before Autumn Equinox: Sun and New Moon in conjunction between Leo and Virgo (Christ with Virgin Bride), Giza and Orion's Belt align at midpoint of heaven at dawn: Sign of Yahshua's imminent Second Coming with His Bride.
11. October 6, 2017: Feast of Tabernacles begins - Mars-Venus Conjunction signifying Yahshua as Redeemer and Light of the World between Leo-Virgo signifying Christ as the First and the Last (Great Sphinx=Yahshua). May we celebrate Tabernacles 2017 in the Millennial Kingdom of Christ!
