## ***Bible Scholar Solves Riddle of the Sphinx, and Mysteries of the Great Pyramid***

For many ages, scholars have pondered the message of the enigmatic and mysterious Great Sphinx and Great Pyramid at Giza in Egypt. They have asked questions like “Who carved the Sphinx, and built the Great Pyramid, and why?” Bible Scholar Helena Lehman thinks she has the answers, and reveals them all in a fascinating new look at Bible prophecy called **“The Language of God in Prophecy,”** which is now in print. Topics in this well-researched, imaginatively illustrated, 590-page book include:

- **How the Psalms, Bible Codes, and the Bible’s Menorah Patterns reveal prophetic information concerning the End Times**
- **How the Great Pyramid and Great Sphinx function as storehouses of divine wisdom in stone that were likely built by the Sethites prior to the Great Flood, are tied to symbols in the Zodiac and the Bible, foretell the First and Second Coming of Christ, and may reveal the timing of the beginning and end of the world.**
- **How the Desert Tabernacle and Great Pyramid are allegorically related, and convey similar spiritual truths.**
- **How the Book of 1 Enoch’s Prophecies are relevant to current End Time Events**
- **How the Bible and the Gospel in the Stars Reveal the True Roles of the United States, the United Kingdom, Israel, the EU, and the Middle East in Prophecy**
- **How there may actually be two major leaders who serve as Antichrists, with one defeating the other before Christ Returns**
- **How our righteous ancestors, and the Ancient Maya may have pinpointed the end of the world using God’s language hidden in the stars**

For readers who are curious to find out how all this knowledge is hidden in the Great Pyramid and Great Sphinx, **Ms. Lehman’s riveting new book shows how these ancient structures may have been built before the Great Flood to preserve vital information that is highly relevant to our own era.** She also explores the possible prophetic messages hidden within these stone monuments, shows how they relate to End Time biblical prophecies, and may reveal the timing for the end of the world.

For those who seek to know even more about the hidden ways God speaks to us in prophecy, **“The Language of God in Prophecy”** is the last in a four book series that exhaustively covers many different aspects of this complex subject. Helena’s books, along with excerpts, free articles, and downloads on related topics are available at the Pillar of Enoch Ministry Web site at <http://pillar-of-enoch.com>. In addition, all the Language of God Series books are available at local and Internet bookstores, and through Ingram/Spring Arbor distributors.
