## ***Does the Zodiac Have A Secret Story To Tell? A Bible Scholar Finds Surprising Answers***

Is it possible that the stars in our night sky have a far bigger story to tell than most Astrologers and Astronomers are aware of? Bible Scholar Helena Lehman thinks so, and she's written a fascinating book called "**The Language of God in the Universe**" to prove her point. Topics in this well-researched, imaginatively illustrated, 420-page book include:

- **How to read the story hidden in the ancient 48-constellation Zodiac**
- **How hidden messages in the Solar System and Stars prove the existence of a Supreme Being**
- **How the Bible is allegorically tied to the symbols in the Zodiac**
- **How the 12 Tribes of Israel are connected to the 12 Signs of the Zodiac**
- **How the constellations immortalize many Bible heroes in the stars**
- **How God designed the stars to foretell major events like the Great Flood, and Christ's birth**
- **How the patriarchs viewed the night sky, and our world using God's hidden language**
- **How God's allegorical language is found everywhere in His Creation**

For readers who are hungry to learn how all this knowledge is hidden in the stars, Ms. Lehman has prepared a feast for the intellect and imagination of every inquiring mind. A recent review of her book by Midwest Book Review explains why:

*"From allegorical ties between the Bible and the Zodiac story, to hidden secrets of God in the Earth, Moon, Solar System, and Stars, and much more, **The Language of God in the Universe** draws spiritual connections through faith, philosophy, science, mysticism and wonder... and condemns the unrestrained use of the "false science" astrology. **A passionate, spiritual culmination of a lifetime's study of both God and the stars.**"*

For those who seek to know even more about the hidden ways God speaks to us, "**The Language of God in the Universe**" is the first book in a four book series that exhaustively covers many different aspects of this complex subject. Helena's books, along with excerpts, free articles, and downloads on related topics are available at the Pillar of Enoch Ministry Web site at <http://pillar-of-enoch.com>. In addition, all the Language of God Series books are available at local and Internet bookstores, and through Ingram/Spring Arbor distributors.

**Helena Lehman is an expert on the connection between the Gospel in the Stars, the Great Pyramid, the Desert Tabernacle, and the Bible, and she is available to speak on the bulleted topics above.** Interested parties may call 708-453-1888, or e-mail Helena at: [helena@pillar-of-enoch.com](mailto:helena@pillar-of-enoch.com) for more information, or to obtain book copies for review, and media kits.
